### “ WHAT THE EDITORS SAY

The potent lineup of actives really works wonders on parched skin that needs a lot of TLC.

### WHAT IT IS

A vegan, antioxidant-rich cream with one goal in mind: keeping moisture in and dryness out. And with an ingredient list containing hyaluronic acid, squalane oil, and vitamins A, C and E, it stops at nothing to make it happen.

### WHY POUR MOI CREATED IT

To craft formulations that complement the skin's natural moisturizing duties instead of overpowering them.

### HOW TO USE IT

Apply one or two pumps onto the face, neck and back of hands daily.

**WHAT IT'S GOOD FOR:**  
Intensely hydrating and repairing skin

**KEY INGREDIENTS:** Squalane, avena sativa kernel extract, glycerin, lecithin, and vitamins A, C and E

**DOES NOT CONTAIN:**  
Sulfates, parabens, phthalates or fragrance

**TEXTURE:**  
Lightweight

**SCENT:**  
Fragrance-free
