SHINE LIKE A STAR

Super-glittery lips are having a major moment! But applying actual glitter to your pout can get messy. This product swipes on like a liquid lipstick, but when you press your lips together it sparkles like crazy. No joke—we think it might be formulated with magic.

Ciaté London
Glitter Flip in Candy,
\$21; ciatelondon.com

Crest 3D Whitestrips with Light, \$100 for 10 treatments and blue LED light; at drugstores

ALL SMILES

Sink your teeth into this: Crest's at-home whitening system uses the same LED light technology that dental professionals use to get your grin as pearly as possible.

SKIP THE SOAP

Just add water! This makeup-removal pad is made up of incredibly fine fibers that wipe away dirt and makeup when they're wet. Bonus: Each pad can be used up to 200 times.

CLIMATE CONTROL

Pour Moi wants you to pick your day-cream based on your environment. If you live somewhere cold and dry, opt for the Polar formula—it's mega-moisturizing. Hanging in the humidity? The Tropical option is oil-free to prevent clogged pores.

Aquis
Waffle Luxe Hair Towel in Dream Boat Blue, \$35; sephora.com

STRAND SAVIOR

The smoother-than-silk material of this towel will dry hair in half the time. Plus, its friction-free technology reduces damage and frizz.
